

This technical drawing is an exploded perspective view of a vehicle exhaust system. The components are labeled with numbers 1 through 27*, indicating their assembly sequence and relationships. The system includes a catalytic converter (1) with a housing (2) and internal filter (3). A muffler (4) is shown with its internal baffles (5, 6, 7, 8, 9). The exhaust pipe (10) connects these components. A tailpipe (11) with a hanger (12) is shown. A rear exhaust pipe (13) with a hanger (14) is also depicted. A rear exhaust pipe (15) with a hanger (16) is shown. A rear exhaust pipe (17) with a hanger (18) is shown. A rear exhaust pipe (19) with a hanger (20) is shown. A rear exhaust pipe (21) with a hanger (22) is shown. A rear exhaust pipe (23) with a hanger (24) is shown. A rear exhaust pipe (25) with a hanger (26) is shown. A rear exhaust pipe (27) with a hanger (28) is shown. The diagram also shows a rear exhaust pipe (29) with a hanger (30). The text 'TO EXHAUST DUCT' is visible, indicating the connection point for the exhaust system.
