

This technical diagram illustrates the exploded view of a vehicle exhaust system. The central component is the catalytic converter (1), which is flanked by two mufflers (2 and 3). The exhaust system is connected to the engine via a manifold (4) and a downpipe (5). The exhaust pipe (6) leads to a tailpipe (7) and a rear muffler (8). The system is secured with various bolts (9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100) and gaskets (1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100). The diagram also shows the connection to the engine (101) and the exhaust manifold (102). The exhaust system is shown in a perspective view, with the catalytic converter and mufflers being the main components. The exhaust pipe is shown with a flange (103) and a gasket (104). The tailpipe is shown with a flange (105) and a gasket (106). The rear muffler is shown with a flange (107) and a gasket (108). The diagram is a technical drawing of a vehicle exhaust system, showing the exploded view of the catalytic converter, mufflers, and exhaust pipe. The components are labeled with numbers 1 through 100, and the diagram includes a perspective view of the catalytic converter and mufflers. The exhaust system is shown in a perspective view, with the catalytic converter and mufflers being the main components. The exhaust pipe is shown with a flange (103) and a gasket (104). The tailpipe is shown with a flange (105) and a gasket (106). The rear muffler is shown with a flange (107) and a gasket (108). The diagram is a technical drawing of a vehicle exhaust system, showing the exploded view of the catalytic converter, mufflers, and exhaust pipe. The components are labeled with numbers 1 through 100, and the diagram includes a perspective view of the catalytic converter and mufflers.
