The image displays three exploded view diagrams for different shield control stand models, arranged in a 3x3 grid. Each diagram shows the assembly of a base plate (A) with various components including a control box (B), a connection box (C), and a shield (D). The diagrams are labeled with letters A through J and include an arrow pointing 'TO A'.

- LD (Top Left):** Shows the assembly of the LD model. Components include a base plate (A), a control box (B), a connection box (C), and a shield (D). The diagram is labeled with letters A through J and includes an arrow pointing 'TO A'.
- VL-JG (Middle Left):** Shows the assembly of the VL-JG model. Components include a base plate (A), a control box (B), a connection box (C), and a shield (D). The diagram is labeled with letters A through L and includes an arrow pointing 'TO A'.
- FD (Bottom Left):** Shows the assembly of the FD model. Components include a base plate (A), a control box (B), a connection box (C), and a shield (D). The diagram is labeled with letters A through J and includes an arrow pointing 'TO A'.
- LG (Bottom Right):** Shows the assembly of the LG model. Components include a base plate (A), a control box (B), a connection box (C), and a shield (D). The diagram is labeled with letters A through J and includes an arrow pointing 'TO A'.
