

This exploded view diagram illustrates the internal components of a refrigerator. The main body (1) is shown with the door (2) detached. The evaporator (3) is located inside the door, and the condenser (4) is mounted on the back of the main body. The compressor (5) is at the bottom. Other components shown include the defrost timer (6), defrost heater (7), defrost thermostat (8), defrost switch (9), defrost motor (10), defrost relay (11), defrost control (12), defrost sensor (13), and defrost switch (14). Dashed lines indicate the assembly sequence and alignment of the parts.
