

This technical drawing shows an exploded perspective view of a mechanical assembly. The main components are labeled with numbers 1 through 23. A label 'BEARING CARRIER' points to a specific part of the assembly. The drawing includes dashed lines to indicate the alignment and assembly sequence of the various parts, which include structural frames, bearings, rollers, and fasteners. The assembly is shown in a disassembled state to illustrate the relationship between the components.

EXPLODED VIEW: EV BASEFRAME G4.5L G26
